COPPER SCRAP

COPPER SCRAP

COPPER SCRAP

A large pile of scrap metal and debris is shown against a weathered concrete wall. The pile consists of numerous thin, tangled copper wires and pipes, some of which are bundled together. There are also pieces of blue and yellow plastic, some metal sheets, and other miscellaneous debris. The ground in the foreground is covered with dry leaves, twigs, and some green weeds. A yellow rectangular box with the text "COPPER SCRAP" is overlaid on the right side of the image.
