 A photograph showing a large pile of blue and red metal drums (likely oil or chemical containers) stacked under a corrugated metal roof. The drums are arranged in rows, and the background shows green foliage. A watermark "vivo T3 Lite" and "Kandoo Multimedia 04/10/2024 15:32" is visible in the bottom left corner.	 A photograph showing a pile of red and white metal drums (likely oil or chemical containers) on a dirt ground. The drums are scattered, and there is a large pile of dark, granular material (possibly gravel or crushed stone) in the foreground. A watermark "vivo T3 Lite" and "Kandoo Multimedia 04/10/2024 15:34" is visible in the bottom left corner.	 A photograph showing a pile of yellow and white metal drums (likely oil or chemical containers) on a dirt ground. The drums are scattered, and there is a large pile of dark, granular material (possibly gravel or crushed stone) in the foreground. A watermark "vivo T3 Lite" and "Kandoo Multimedia 04/10/2024 15:34" is visible in the bottom left corner.
